1.6 BID AWARDS

1.6.1 Basis for Award.

The end result of this IFB will be a geographic resource list of prequalified Contractors listed by location and price for which they have agreed to furnish sack lunches used in support of severity, fire suppression and all-risk activities. The geographic resource list may be used in the Northern Rockies Geographic Area.

The Montana Department of Natural Resources and Conservation (DNRC), Montana Disaster and Emergency Services (MDES), The Idaho Department of State Lands (IDL), North Dakota Forest Service (NDFS), the USDA Forest Service (FS), the Bureau of Land Management (BLM), Bureau of Indian Affairs (BIA), US Fish and Wildlife Service (USFWS), and the National Park Service (NPS), are hereby authorized to use the agreement in accordance with the terms and conditions set forth herein.

Since the needs of the Government during an emergency cannot be determined in advance, it is mutually agreed that, upon request of the Government, the Contractor shall furnish the meals listed herein to the extent the Contractor is willing and able at the time of order. The Government is not obligated to place nor is the Contractor obligated to accept an order under the agreement, but if an order is placed and accepted, all the terms and conditions set forth shall be met. There are no minimum or maximum guarantees as to the number of orders that may be placed under subsequent agreement(s). Due to the sporadic occurrence of incident activity, the placement of any orders IS NOT GUARANTEED.

1.6.2 Rejection of Bids.

While the State has every intention to award an agreement as a result of this IFB, issuance of the IFB in no way constitutes a commitment by the State to award and execute an agreement. Upon a determination such actions would be in its best interest, the State, in its sole discretion, reserves the right to:

- Eliminate any bids which seem excessive compared to the average of prices submitted in any given geographic area.
- Cancel or terminate this IFB (18-4-307, MCA);
- Waive any undesirable, inconsequential, or inconsistent provisions of this IFB which would not have significant impact on any bid (ARM 2.5.505); or
- If awarded, terminate any agreement if the State determines adequate state funds are not available (18-4-313, MCA).

1.7 CLAIMS:

Claims settlement is agency specific and remains the responsibility of the incident agency.

1.7.1 Federal Government Claims.

Unless limited by agency policy or the Agency Administrator, any federal agency claim may be settled by a warranted GS-1102 Contracting Officer; and minor claims may be settled by warranted GS-1105 Purchasing Agents. Minor claims are interpreted to include claims that are evident as to existence, responsibility, and reasonable in claimed amount. Claims settlements recommended by a GS-1105 Purchasing Agent exceeding \$2,500 per claim shall be reviewed by a GS-1102 Contracting Officer with specific authority. Some agencies may require claims be reviewed by their legal department

1.7.2 State of Montana Claims.

Claims arising under the jurisdiction of the State of Montana are negotiated by the responsible Line officer or agency Administrator. These individuals may delegate this authority to other DNRC employees or to the Incident Management Team. When possible, claims should be settled at the incident. 1.7.5 Contractor Liability for Personal Injury and/or Property Damage.

- a. The Contractor assumes responsibility for all damage or injury to persons or property occasioned through the use, maintenance, and operation of the Contractor's vehicles or other equipment by, or the action of, the Contractor or the Contractor's employees and agents.
- b. The Contractor, at the Contractor's expense, shall maintain adequate public liability and property damage insurance during the continuance of this agreement, insuring the Contractor against all claims for injury or damage.
- c. The Contractor shall maintain Workers' Compensation and other legally required insurance with respect to the Contractor's own employees and agents.
- d. The Government shall in no event be liable or responsible for damage or injury to any person or property occasioned through the use, maintenance, or operation of any vehicle or other equipment by, or the action of, the Contractor or the Contractor's employees and agents in performing under this agreement, and the Government shall be indemnified and saved harmless against claims for damage or injury in such cases.

1.7.6 Loss, Damage, or Destruction.

- a. For equipment furnished under this agreement WITHOUT operator, the Government will assume liability for any loss, damage or destruction of such equipment, except that no reimbursement will be made for loss, damage or destruction due to (1) ordinary wear or tear, (2) mechanical failure, or (3) the fault or negligence of the Contractor or the Contractor's agents or employees or Government employee owned and operated equipment.

SECTION 2: DISPATCH/DELIVERY REQUIREMENTS

2.0 DISPATCH/DELIVERY REQUIREMENTS

2.1 AVAILABILITY

The Contractor is responsible for maintaining their current availability status with their host dispatch center. When Contractor resources are unavailable, the resources will not be eligible for dispatch under this agreement.

2.2 ORDERING PROCEDURE

Contractor is REQUIRED to meet all date(s) and time(s).

Following agreement award, each host dispatch center will have an established geographic resource list. The Government intends to dispatch contractor resources based on this geographic resource list. This geographic resource list will be per location and price. State or federal personnel may use this geographic list if and when an incident develops. There is no guarantee the listed Contractors will be called to supply lunches. Although price will be a major consideration, due to the exigency nature of fire suppression, severity and all risk activities, factors other than price (such as location, ability to meet timeframes, etc.) may be considered prior to placing an order.

Orders will primarily come through Dispatch, although Buying Teams or other Government purchasers are authorized to place orders.

The ordering official will inform the Contractor of the location, quantity required and date and time needed. The order will be placed with that Contractor until that Contractor cannot fill the order or meet the date and time needed. If that Contractor is unable to meet the requirements, the next closest Contractor to the incident or Contractor that best fits the need (i.e. crew coming through town), will be contacted, etc. In order to assure incident personnel receive a variety of lunches, the next time lunches are needed the next Contractor on the list will be contacted. The next time the service is required, the same process will be followed, taking into account location and ensuring equitability among the Contractors. If, in one day, all the Contractors are contacted and none can meet delivery requirements, Contractors not on the list may be contacted.

Arrangements for sack lunches will be made by authorized Government representative who will confirm the order on the Contractor's itemized invoice. The Contractor's itemized invoice will be presented to and signed by the receiving Government representative. The Contractor's itemized invoice will be attached to a legible sales receipt and both will be submitted for payment (*See Attachments B & H – EERA & Payment Offices*). Sack lunches will be made in accordance with the specifications listed in Section 4 of this agreement.

The Government is unable to pay an administrative fee (gratuity or tip) on sack lunches or takeout meals; therefore, the sack lunch price shall be all inclusive.

NOTE: The State of Idaho reserves the right to select Contractors who they (state officials) consider to be in the best interest of the State of Idaho. This may include Contractors who did not participate in this solicitation.

SECTION 3: SPECIAL TERMS AND CONDITIONS

3.0 AGREEMENT TERMINATION/NON-COMPLIANCE

3.0.1 Termination for Cause

The State may, by written notice to the Contractor, terminate this agreement in whole or in part at any time the Contractor fails to perform under this agreement. Failure to provide lunches or meet the required date/time needed may result in removal from the geographic resource list.

3.0.2 Non-Compliance

In the event a Contractor supplies sack lunches that do not meet the specifications set forth herein, the Government representative responsible for ordering the lunches shall contact the Contractor to explain and document what is necessary to bring the lunches into compliance. If the lunches fail to meet specifications a second time, the Contractor may be removed from the geographic resource list.

3.1 PURCHASING CARDS

The preferred method of payment is a Government Purchasing Card.

3.2 PERSONNEL REQUIREMENTS

3.2.1 Personnel Requirements- Fair Labor Standards Act (FLSA).

Contractors shall comply with the Fair Labor Standards Act when employing persons less than 18 years of age (Ref. 29 CFR 570). See website: <http://www.dol.gov/whd/regs/statutes/FairLaborStandAct.pdf>.

3.3 PERFORMANCE EVALUATIONS

This form is the only performance evaluation that will be accepted by the Contracting Officer. The Government representative's signature shall be legible and printed on the form. If the supervising Government representative is released from the incident prior to the release of the resource, the Government representative will complete a performance evaluation prior to demobilization, for work the resource performed under their supervision. The Government representative will review the performance evaluation with the Contractor, record Contractor comments, and obtain Contractor signature acknowledging completion of the evaluation. The Government representative will then give a copy of the evaluation form(s) to the Contractor at the incident and submit a copy to the appropriate Government representative (i.e. Finance/Plans) for distribution to the Contracting Office and the Host unit incident file. Evaluations are to be sent to the following address:

Procurement Officer: Gwen Ungerman
Address: 1625 11th Ave
PO Box 201601
HELENA MT 59620-1601

SECTION 4: SPECIFICATIONS AND PRICING SCHEDULE

4.0 EQUIVALENT PRODUCTS

Requirements designated in this bid must be satisfied, or a functional equivalent bid submitted, which is acceptable to the State. Bidders who do not meet this criterion may be disqualified from further consideration. A bidder must state if they are unable or unwilling to meet any requirement. Inability or unwillingness to meet any requirement, in part or total, may be cause for disqualification of the entire response. Any exceptions taken by the bidder must be clearly identified on the bid forms.

4.1 SPECIFICATIONS AND PRICING

4.1.1 Purpose. The purpose of this IFB is to establish agreements to provide sack lunches for wildland firefighting; all hazard incidents; and support personnel in a non-exigency situation. This IFB is to give the opportunity to furnish prices for sack lunches. The end result of this IFB will be a list of pre-qualified Contractors and the price for which they have agreed to furnish sack lunches. The list will be per location (city) and price. Government personnel will use this list if and when an incident develops.

Under exigency situations there is no guarantee the listed Contractors will be called to supply sack lunches. In an exigency situation, factors other than price (such as location, ability to meet timeframes etc.) may be considered prior to placing an order.

4.2 Pricing

This IFB will result in agreements with multiple Contractors. The Emergency Equipment Rental Agreements (EERA) resulting from this IFB may be used by multiple State and Federal agencies. Since the needs of the Government and availability of Contractor's resources during an emergency cannot be determined in advance, it is mutually agreed that, upon request of the Government, the Contractor shall furnish the resources listed herein to the extent the Contractor is willing and able at the time of order. **Due to the sporadic occurrence of incident activity, the placement of any orders IS NOT GUARANTEED.** (See Attachments B & C – EERA & General Clauses)

Awards will be made on an **all-or-none** basis. Failure of a bidder to provide prices for all line items listed on the Bid Form may be cause for rejection of the entire bid. However, a bidder may enter "No Cost" in the unit price and extended amount columns to indicate that the item is being offered at "No Cost."

At any time, at the expense of the Government, Contractors may be asked to provide a *sample* lunch for quality assurance.

4.3 SPECIFICATIONS FOR SPECIAL SACK LUNCHES: **PRE-PREPARED SANDWICHES SHALL NOT BE FROZEN.**

Special Sack Lunches must meet the requirements for the standard sack lunches with the following changes implemented:

4.3.1 Vegetarian Lunch

***Definition:** Ovo-Lacto Vegetarian - This is the most common form of vegetarianism. Ovo-Lacto vegetarians do not eat meat, chicken, fish or flesh of any kind, but do eat eggs and dairy products. Sub categories are Ovo vegetarians that eat eggs but not dairy products, while Lacto vegetarians eat dairy products but not eggs.

- Vegetarian sack lunches shall be provided as ordered by the authorizers listed above.
- Vegetarian sack lunches shall be prepared for the *Ovo-Lacto vegetarian classification level and shall consist of the same quantities and items as regular sack lunches.
- Non-meat protein substitutes such as vegetarian lunch meats require prior approval and shall be used on a limited basis in vegetarian sack lunches.

4.3.2 Gluten-free Lunch (Optional)

If Gluten-free lunches are available, all items contained in the lunch must be Gluten-Free and must adhere to the specs listed herein.

***Definition:** Gluten-free – A gluten-free diet is a diet that excludes foods containing gluten. Gluten is a general name given to the storage proteins (prolamins) present in wheat, rye, barley, and oats. Gluten is used as a food additive in the form of flavoring, stabilizing or thickening agent, often as “dextrin”. The Gluten Free diet eliminates all foods containing wheat, rye, barley, and commercial oats. A gluten-free diet is the only medically accepted treatment for celiac disease, the related condition dermatitis herpetiformis, and wheat allergy. The storage proteins of corn and rice do not contain the toxic cereal prolamins and are not harmful to individuals with celiac disease. Foods labeled as gluten-free in Canada and the U.S. do not allow the presence of any gluten-containing ingredients, such as wheat starch.

Several grains and starch sources are considered acceptable for a gluten-free diet. The most frequently used are corn, potatoes, rice, and tapioca (derived from cassava). Other grains and starch sources generally considered suitable for gluten-free diets include amaranth, arrowroot, millet, montina, lupin, quinoa, sorghum (jowar), taro, teff, chia seed, and yam. Various types of bean, soybean, and nut flours are sometimes used in gluten-free products to add protein and dietary fiber. Almond flour is a low-carbohydrate alternative to flour, with a low glycemic index. In spite of its name, buckwheat is not related to wheat; pure buckwheat is considered acceptable for a gluten-free diet, although many commercial buckwheat products are actually mixtures of wheat and buckwheat flours, and thus not acceptable. Gram flour, derived from chickpeas, is also gluten-free (this is not the same as Graham flour made from wheat).

GENERAL CLAUSES TO EMERGENCY EQUIPMENT RENTAL AGREEMENT FORM OF-294 (2006 TEST FORM)

Since the equipment needs of the Government and availability of Contractor's equipment during an emergency cannot be determined in advance, it is mutually agreed that, upon request of the Government, the Contractor shall furnish the equipment listed herein to the extent the Contractor is willing and able at the time of order. The following personnel are authorized to place orders against this agreement, Dispatchers, Buying Team Members, Finance Section Chiefs, Procurement Unit Leaders, Contracting Officers and Purchasing Agents. At time of dispatch, a resource order number will be assigned. The Contractor shall furnish the assigned resource order number upon arrival and check in at the incident. The Incident Commander or responsible Government Representative is authorized to administer the technical aspects of this agreement. Equipment furnished under this agreement may be operated and subjected to extreme environmental and/or strenuous operating conditions which could include but is not limited to unimproved roads, steep, rocky, hilly terrain, dust, heat, and smokey conditions. As a result, by entering into this agreement, the contractor agrees that what is considered wear and tear under this agreement is in excess of what the equipment is subjected to under normal operations and is reflected in the rates paid for the equipment. When such equipment is furnished to the Government, the following clauses shall apply:

CLAUSE 1. Condition of Equipment: All equipment furnished under this agreement shall be in acceptable condition. The Government reserves the right to reject equipment that is not in safe and operable condition. The Government may allow the Contractor to correct deficiencies within 24 hours. No payment for travel to an Incident or point of inspection, or return to the point of hire, will be made for equipment that does not pass inspection. No payment will be made for time that the equipment was not available.

CLAUSE 2. Time Under Hire: The time under hire shall start at the time the equipment begins traveling to the incident after being ordered by the Government, and end at the estimated time of arrival back to the point of hire after being released, except as provided in Clause 7 of these General Clauses.

CLAUSE 3. Operating Supplies: As identified in Block 7, operating supplies include fuel, oil, filters, lube/oil changes. Even though Block 7 may specify that all operating supplies are to be furnished by the Contractor (*wet*), the Government may, at its option, elect to furnish such supplies when necessary to keep the equipment operating. The cost of such supplies will be determined by the Government and deducted from payment to the Contractor.

CLAUSE 4. Repairs: Repairs to equipment shall be made and paid for by the Contractor. The Government may, at its option, elect to make such repairs when necessary to keep the equipment operating. The cost of such repairs will be determined by the Government and deducted from payment to the contractor.

CLAUSE 5. Timekeeping: Time will be verified and approved by the Government Agent responsible for ordering and/or directing use of each piece of equipment. Time will be recorded to the nearest quarter hour worked for daily/hourly rate, or whole mile for mileage.

CLAUSE 6. Payments

a. Rates of Payments - Rates for equipment hired with Contractor Furnished operator(s) shall include all operator(s) expenses. Payment will be at rates specified and, except as provided in Clause 7, shall be in accordance with the following:

1. **Work Rates** (*column 13*) (hourly/daily/mileage/shift basis) shall apply when equipment is under hire as ordered by the Government and on shift, including relocation of equipment under its own power.

ON-SHIFT: Includes time worked, time that equipment is held or directed to be in a state of readiness, and compensable

travel (equipment traveling under its own power) that has a specific start and ending time.

2. **Special Rates** (*column 14*) shall apply when specified.
3. **Guarantee.** For each calendar day that equipment is under hire for at least 8 hours, the Government will pay not less than the amount shown in column 15. If equipment is under hire for less than 8 hours during a calendar day, the amount earned for that day will be not less than one-half the amount specified in column 15. The guarantee is not applicable to equipment hired under the Daily rate. Equipment under transport is time under hire and compensated through the Guarantee. If equipment is transported under its own power, it is compensated under the Work rate.
4. **Daily Rate** (*column 13*) - Payment will be made on basis of calendar days (0001 – 2400). For fractional days at the beginning and ending of time under hire, payment will be based on 50 percent of the Daily Rate for periods less than 8 hours. Under the daily rate equipment may be staffed with or without operator.

(a) Shift Basis (Portion of calendar day)

- 1) **Single Shift** - (SS) is staffed with one operator or one crew
- 2) **Double Shift** - (DS) is staffed with two operators or two crews (one per shift). The DS rate will apply any calendar day the DS was under hire, including travel. There will be no compensation for a double shift unless a separate operator(s) and/or crew(s) is/are ordered in writing for the second shift.
- 3) Agency personnel at the Section Chief Level may, by resource order, authorize a second operator or crew (Double Shift), if needed during the assignment.

b. Method of Payment. Lump-sum payment will normally be processed at the end of the emergency assignment. However, partial payment may be authorized as approved by the incident agency. Payment for each calendar day will be made for (1) actual units ordered and performed under Work or Daily, shift basis and/or Special rates or (2) the guarantee earned, whichever is the greater amount.

CLAUSE 7. Exceptions

a. Daily Rate or Guarantee: No further payment under Clause 6 will accrue during any period that equipment under hire is not in a safe or operable condition or when Contractor furnished operator(s) is not available for the assigned shift or portions of the assigned shift. Payment will be based on the hours the equipment was operational during the assigned shift, as documented on the shift ticket versus the designated shift shown on the Incident Action Plan. If the equipment was not operational for the full shift, the deduction from the daily rate is calculated by converting the length of shift from the IAP to determine the hourly rate and pay the Contractor for the total hours worked before equipment became nonoperational.

b. If the Contractor withdraws equipment and/or operator(s) prior to being released by the Government, no further payment under Clause 6 shall accrue and the Contractor shall bear all costs of returning equipment and/or operator(s) to the point of hire.

c. After inspection and acceptance for use, equipment and/or furnished operator(s) that cannot be replaced or equipment that cannot be repaired at the site of work by the Contractor or by the Government in accordance with Clause 4, within 24 hours, may be considered as being withdrawn by the Contractor in accordance with Paragraph B above, except that the Government will bear all costs of returning equipment and/or operator(s) to the point of hire as promptly as emergency conditions will allow.

d. No payment will accrue under Clause 6 when the contractor is off shift in compliance with the mandatory "Work/Rest" and "Length of Commitment" provisions. As an option to rotating personnel, or taking a mandatory day off, without pay, the Contractor may be released from the incident.

CLAUSE 8. Subsistence: When Government subsistence incident camps are available, meals and bedding for Contractor's operator(s) will be furnished without charge. Government will furnish meals and lodging

without cost if hotel/restaurant subsistence is the approved camp for incident personnel. Double occupancy of hotel rooms may be required. Contractors are not paid per diem or lodging expenses to and from incidents.

CLAUSE 9. Loss, Damage, or Destruction:

(a) For equipment furnished under this EERA **without** operator, the Government will assume liability for any loss, damage or destruction of such equipment, except that no reimbursement will be made for loss, damage or destruction due to (1) ordinary wear or tear, (2) mechanical failure, or (3) the fault or negligence of the Contractor or the Contractor's agents or employees or Government employee owned and operated equipment.

(b) For equipment furnished under this EERA **with** operator, the Government shall not be liable for any loss, damage or destruction of such equipment, except for loss, damage or destruction resulting from the negligence, or wrongful act(s) of Government employee(s) while acting within the scope of their employment. The operator is responsible for operating the equipment within its operating limits and responsible for safety of the equipment.

CLAUSE 10. Contractor's Responsibility for Property and Personal Damages: Except as provided in Clause 9, the Contractor will be responsible for all damages to property and to persons, including third parties, that occur as a result of Contractor or Contractor's agents or employee fault or negligence. The term "third parties" is construed to include employees of the Government.

CLAUSE 11. Deductions: Unless specifically stated elsewhere in this agreement the cost of any supplies, materials, or services, including commissary, provided for the Contractor by the Government will be deducted from the payment to the Contractor.

CLAUSE 12. Personal Protective Clothing and Equipment: The Government considers operators as fireline personnel who will use and wear specified articles of personal protective equipment.

a. The following mandatory items will be issued by the Government, when not required to be furnished by the Contractor, to operators performing within the scope of this agreement:

Upon completion of the contract assignment, all issued items of clothing or equipment shall be returned to the Government. Deductions will be made for all Government furnished protective clothing and equipment not returned by the Contractor.

CLAUSE 13. Commercial Motor Vehicles: All commercial motor vehicles must meet all DOT requirements. The regulations can be found at the following website:
www.fmcsa.dot.gov

CLAUSE 14. Claim Settlement Authority: For the purpose of settling claims, the successor contracting officer is any contracting officer acting within their delegated warrant authority, under the clauses of this agreement, and limits set by the incident agency.

CLAUSE 15. Changes: Changes to Emergency Equipment Rental Agreements (EERA's), OF294 may only be made by the original signing procurement official. If the original signing procurement official is not available and adjustments are deemed appropriate, a new EERA shall be executed at the incident and shall be applicable **only** for the duration of that incident. (4) *Trade Agreements Certificate.* (Applies only if the clause at FAR 52.225-5, Trade Agreements, is included in this solicitation.)

(i) The offeror certifies that each end product, except those listed in paragraph (g)(4)(ii) of this provision, is a U.S.-made or designated country end product as defined in the clause of this solicitation entitled “Trade Agreements.”

(iii) The Government will evaluate offers in accordance with the policies and procedures of FAR Part 25. For line items covered by the WTO GPA, the Government will evaluate offers of U.S.-made or designated country end products without regard to the restrictions of the Buy American Act. The Government will consider for award only offers of U.S.-made or designated country end products unless the Contracting Officer determines that there are no offers for such products or that the offers for such products are insufficient to fulfill the requirements of the solicitation.

(h) *Certification Regarding Responsibility Matters (Executive Order 12689).* (Applies only if the contract value is expected to exceed the simplified acquisition threshold.) The offeror certifies, to the best of its knowledge and belief, that the offeror and/or any of its principals--

- (1) ☐ Are, ☐ are not presently debarred, suspended, proposed for debarment, or declared ineligible for the award of contracts by any Federal agency;
- (2) ☐ Have, ☐ have not, within a three-year period preceding this offer, been convicted of or had a civil judgment rendered against them for: commission of fraud or a criminal offense in connection with obtaining, attempting to obtain, or performing a Federal, state or local government contract or subcontract; violation of Federal or state antitrust statutes relating to the submission of offers; or commission of embezzlement, theft, forgery, bribery, falsification or destruction of records, making false statements, tax evasion, violating Federal criminal tax laws, or receiving stolen property; and
- (3) ☐ Are, ☐ are not presently indicted for, or otherwise criminally or civilly charged by a Government entity with, commission of any of these offenses enumerated in paragraph (h)(2) of this clause; and
- (4) ☐ Have, ☐ have not, within a three-year period preceding this offer, been notified of any delinquent Federal taxes in an amount that exceeds \$3,000 for which the liability remains unsatisfied.

(i) Taxes are considered delinquent if both of the following criteria apply:

- (A) *The tax liability is finally determined.* The liability is finally determined if it has been assessed. A liability is not finally determined if there is a pending administrative or judicial challenge. In the case of a judicial challenge to the liability, the liability is not finally determined until all judicial appeal rights have been exhausted.
 - (B) *The taxpayer is delinquent in making payment.* A taxpayer is delinquent if the taxpayer has failed to pay the tax liability when full payment was due and required. A taxpayer is not delinquent in cases where enforced collection action is precluded.
- (ii) Examples.

- (A) The taxpayer has received a statutory notice of deficiency, under I.R.C. §6212, which entitles the taxpayer to seek Tax Court review of a proposed tax deficiency. This is not a delinquent tax because it is not a final tax liability. Should the taxpayer seek Tax Court review, this will not be a final tax liability until the taxpayer has exercised all judicial appeal rights.
- (B) The IRS has filed a notice of Federal tax lien with respect to an assessed tax liability, and the taxpayer has been issued a notice under I.R.C. §6320 entitling the taxpayer to request a hearing with the IRS Office of Appeals Contesting the lien filing, and to further

appeal to the Tax Court if the IRS determines to sustain the lien filing. In the course of the hearing, the taxpayer is entitled to contest the underlying tax liability because the taxpayer has had no prior opportunity to contest the liability. This is not a delinquent tax because it is not a final tax liability. Should the taxpayer seek tax court review, this will not be a final tax liability until the taxpayer has exercised all judicial appeal rights.

(C) The taxpayer has entered into an installment agreement pursuant to I.R.C. §6159. The taxpayer is making timely payments and is in full compliance with the agreement terms. The taxpayer is not delinquent because the taxpayer is not currently required to make full payment.

(D) The taxpayer has filed for bankruptcy protection. The taxpayer is not delinquent because enforced collection action is stayed under 11 U.S.C. §362 (the Bankruptcy Code).

(i) Certification Regarding Knowledge of Child Labor for Listed End Products (Executive Order 13126). [The Contracting Officer must list in paragraph (i)(1) any end products being acquired under this solicitation that are included in the List of Products Requiring Contractor Certification as to Forced or Indentured Child Labor, unless excluded at 22.1503(b).]

For statistical purposes only, the offeror shall indicate whether the place of manufacture of the end products it expects to provide in response to this solicitation is predominantly—

(1) ☐ In the United States (Check this box if the total anticipated price of offered end products manufactured in the United States exceeds the total anticipated price of offered end products manufactured outside the United States); or

(2) ☐ Outside the United States.

(k) Certificates regarding exemptions from the application of the Service Contract Act. (Certification by the offeror as to its compliance with respect to the contract also constitutes its certification as to compliance by its subcontractor if it subcontracts out the exempt services.) (iv) The compensation (wage and fringe benefits) plan for all service employees performing work under the contract is the same as that used for these employees and equivalent employees servicing commercial customers.

(3) If paragraph (k)(1) or (k)(2) of this clause applies—

(i) If the offeror does not certify to the conditions in paragraph (k)(1) or (k)(2) and the Contracting Officer did not attach a Service Contract Act wage determination to the solicitation, the offeror shall notify the Contracting Officer as soon as possible; and

(ii) The Contracting Officer may not make an award to the offeror if the offeror fails to execute the certification in paragraph (k)(1) or (k)(2) of this clause or to contact the Contracting Officer as required in paragraph (k)(3)(i) of this clause.

(l) *Taxpayer identification number (TIN) (26 U.S.C. 6109, 31 U.S.C. 7701).* (Not applicable if the offeror is required to provide this information to a central contractor registration database to be eligible for award.)

(1) All offerors must submit the information required in paragraphs (l)(3) through (l)(5) of this provision to comply with debt collection requirements of 31 U.S.C. 7701(c) and 3325(d), reporting requirements of 26 U.S.C. 6041, 6041A, and 6050M, and implementing regulations issued by the Internal Revenue Service (IRS).

(2) The TIN may be used by the government to collect and report on any delinquent amounts arising out of the offeror's relationship with the Government (31 U.S.C. 7701(c)(3)). HAZARDOUS PAY DIFFERENTIAL: An 8 percent differential is applicable to employees employed in a position that represents a high degree of hazard when working with or in close proximity to ordnance, explosives, and incendiary materials. work area or equipment being used. All operations involving, unloading, storage, and hauling of ordnance, explosive, and incendiary ordnance material other than small arms ammunition. These differentials are only applicable to work that has been specifically designated by the agency for ordnance, explosives, and incendiary material differential pay.

**** UNIFORM ALLOWANCE ****

If employees are required to wear uniforms in the performance of this contract (either by the terms of the Government contract, by the employer, by the state or local law, etc.), the cost of furnishing such uniforms and maintaining (by laundering or dry cleaning) such uniforms is an expense that may not be borne by an employee where such cost reduces the hourly rate below that required by the wage determination. The Department of Labor will accept payment in accordance with the following standards as compliance:

The contractor or subcontractor is required to furnish all employees with an adequate number of uniforms without cost or to reimburse employees for the actual cost of the uniforms. In addition, where uniform cleaning and maintenance is made the responsibility of the employee, all contractors and subcontractors subject to this wage determination shall (in the absence of a bona fide collective bargaining agreement providing for a different amount, or the furnishing of contrary affirmative proof as to the actual cost), reimburse all employees for such cleaning and maintenance at a rate of \$3.35 per week (or \$.67 cents per day). However, in those instances where the uniforms furnished are made of "wash and wear" materials, may be routinely washed and dried with other personal garments, and do not require any special treatment such as dry cleaning, daily washing, or commercial laundering in order to meet the cleanliness or appearance standards set by the terms of the Government contract, by the contractor, by law, or by the nature of the work, there is no requirement that employees be reimbursed for uniform maintenance costs.

The duties of employees under job titles listed are those described in the "Service Contract Act Directory of Occupations", Fifth Edition, April 2006, unless otherwise indicated. Copies of the Directory are available on the Internet. A links to the Directory may be found on the WHD home page at <http://www.dol.gov/esa/whd/> or through the Wage Determinations On-Line (WDOL) Web site at <http://wdol.gov/>.

REQUEST FOR AUTHORIZATION OF ADDITIONAL CLASSIFICATION AND WAGE RATE {Standard Form 1444 (SF 1444)}

Conformance Process:

The contracting officer shall require that any class of service employee which is not listed herein and which is to be employed under the contract (i.e., the work to be performed is not performed by any classification listed in the wage determination), be classified by the contractor so as to provide a reasonable relationship (i.e., appropriate level of skill comparison) between such unlisted classifications and the classifications listed in the wage determination. Such conformed classes of employees shall be paid the monetary wages and furnished the fringe benefits as are determined. Such conforming process shall be initiated by the contractor prior to the performance of contract work by such unlisted class(es) of employees. The conformed classification, wage rate, and/or fringe benefits shall be retroactive to the commencement date of the contract. {See Section 4.6 (C)(vi)} When multiple wage determinations are included in a contract, a separate SF 1444 should be prepared for each wage determination to which a class(es) is to be confirmed.

The process for preparing a conformance request is as follows:

- 1) When preparing the bid, the contractor identifies the need for a conformed occupation(s) and computes a proposed rate(s).
- 2) After contract award, the contractor prepares a written report listing in order proposed classification title(s), a Federal grade equivalency (FGE) for each proposed classification(s), job description(s), and rationale for proposed wage rate(s), including information regarding the agreement or disagreement of the authorized representative of the employees involved, or where there is no authorized representative, the employees

Page 8

6/7/2011 DOL Wage Determination

themselves. This report should be submitted to the contracting officer no later than 30 days after such unlisted class(es) of employees performs any contract work.

- 3) The contracting officer reviews the proposed action and promptly submits a report of the action, together with the agency's recommendations and pertinent information including the position of the contractor and the

employees, to the Wage and Hour Division, Employment Standards Administration, U.S. Department of Labor, for review. (See section 4.6(b)(2) of Regulations 29 CFR Part 4).

4) Within 30 days of receipt, the Wage and Hour Division approves, modifies, or disapproves the action via transmittal to the agency contracting officer, or notifies the contracting officer that additional time will be required to process the request.

5) The contracting officer transmits the Wage and Hour decision to the contractor.

6) The contractor informs the affected employees.

Information required by the Regulations must be submitted on SF 1444 or bond paper.

When preparing a conformance request, the "Service Contract Act Directory of Occupations" (the Directory) should be used to compare job definitions to insure that duties requested are not performed by a classification already listed in the wage determination. Remember, it is not the job title, but the required tasks that determine whether a class is included in an established wage determination. Conformances may not be used to artificially split, combine, or subdivide classifications listed in the wage determination.

State of Montana Standard Terms and Conditions

By submitting a response to this invitation for bid, request for proposal, limited solicitation, or acceptance of a contract, the vendor agrees to acceptance of the following Standard Terms and Conditions and any other provisions that are specific to this solicitation or contract.

ACCEPTANCE/REJECTION OF BIDS, PROPOSALS, OR LIMITED SOLICITATION RESPONSES: The State reserves the right to accept or reject any or all bids, proposals, or limited solicitation responses, wholly or in part, and to make awards in any manner deemed in the best interest of the State. Bids, proposals, and limited solicitation responses will be firm for 30 days, unless stated otherwise in the text of the invitation for bid, request for proposal, or limited solicitation.

ACCESS AND RETENTION OF RECORDS: The contractor agrees to provide the department, Legislative Auditor, or their authorized agents, access to any records necessary to determine contract compliance. (Section 18-1-118, MCA). The contractor agrees to create and retain records supporting the services rendered or supplies delivered for a period of three years after either the completion date of the contract or the conclusion of any claim, litigation, or exception relating to the contract taken by the State of Montana or third party.

ALTERATION OF SOLICITATION DOCUMENT: In the event of inconsistencies or contradictions between language contained in the State's solicitation document and a vendor's response, the language contained in the State's original solicitation document will prevail. Intentional manipulation and/or alteration of solicitation document language will result in the vendor's disqualification and possible debarment.

ASSIGNMENT, TRANSFER AND SUBCONTRACTING: The contractor shall not assign, transfer or subcontract any portion of the contract without the express written consent of the department. (Section 18-4-141, MCA.)

AUTHORITY: The attached bid, request for proposal, limited solicitation, or contract is issued under authority of Title 18, Montana Code Annotated, and the Administrative Rules of Montana, Title 2, chapter 5.

COMPLIANCE WITH LAWS: The contractor must, in performance of work under the contract, fully comply with all applicable federal, state, or local laws, rules and regulations, including the Montana Human Rights Act, the Civil Rights Act of 1964, the Age Discrimination Act of 1975, the Americans with Disabilities Act of 1990, and Section 504 of the Rehabilitation Act of 1973. Any subletting or subcontracting by the contractor subjects subcontractors to the same provision. In accordance with section 49-3-207, MCA, the contractor agrees that the hiring of persons to perform the contract will be made on the basis of merit and qualifications and there will be no discrimination based upon race, color, religion, creed, political ideas, sex, age, marital status, physical or mental disability, or national origin by the persons performing the contract.

CONFORMANCE WITH CONTRACT: No alteration of the terms, conditions, delivery, price, quality, quantities, or specifications of the contract shall be granted without prior written consent of the DNRC FSO Bureau. Supplies delivered which do not conform to the contract terms, conditions, and specifications may be rejected and returned at the contractor's expense.

DEBARMENT: The contractor certifies, by submitting this bid or proposal, that neither it nor its principals are presently debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded from participation in this transaction (contract) by any governmental department or agency. If the contractor cannot certify this statement, attach a written explanation for review by the State.

DISABILITY ACCOMMODATIONS: The State of Montana does not discriminate on the basis of disability in admission to, access to, or operations of its programs, services, or activities. Individuals who need aids, alternative document formats, or services for effective communications or other disability related

accommodations in the programs and services offered are invited to make their needs and preferences known to this office. Interested parties should provide as much advance notice as possible.

FACSIMILE RESPONSES: Facsimile responses will be accepted for invitations for bids, small purchases, or limited solicitations ONLY if they are completely received by the DNRC FSO Bureau prior to the time set for receipt. Bids, or portions thereof, received after the due time will not be considered. Facsimile responses to requests for proposals are ONLY accepted on an exception basis with prior approval of the procurement officer.

FAILURE TO HONOR BID/PROPOSAL: If a bidder/offeror to whom a contract is awarded refuses to accept the award (PO/contract) or fails to deliver in accordance with the contract terms and conditions, the department may, in its discretion, suspend the bidder/offeror for a period of time from entering into any contracts with the State of Montana.

FORCE MAJEURE: Neither party shall be responsible for failure to fulfill its obligations due to causes beyond its reasonable control, including without limitation, acts or omissions of government or military authority, acts of God, materials shortages, transportation delays, fires, floods, labor disturbances, riots, wars, terrorist acts, or any other causes, directly or indirectly beyond the reasonable control of the nonperforming party, so long as such party is using its best efforts to remedy such failure or delays.

HOLD HARMLESS/INDEMNIFICATION: The contractor agrees to protect, defend, and save the State, its elected and appointed officials, agents, and employees, while acting within the scope of their duties as such, harmless from and against all claims, demands, causes of action of any kind or character, including the cost of defense thereof, arising in favor of the contractor's employees or third parties on account of bodily or personal injuries, death, or damage to property arising out of services performed or omissions of services or in any way resulting from the acts or omissions of the contractor and/or its agents, employees, representatives, assigns, subcontractors, except the sole negligence of the State, under this agreement.

LATE BIDS AND PROPOSALS: Regardless of cause, late bids and proposals will not be accepted and will automatically be disqualified from further consideration. It shall be solely the vendor's risk to ensure delivery at the designated office by the designated time. Late bids and proposals will not be opened and may be returned to the vendor at the expense of the vendor or destroyed if requested.

PAYMENT TERM: All payment terms will be computed from the date of delivery of supplies or services OR receipt of a properly executed invoice, whichever is later. Unless otherwise noted in the solicitation document, the State is allowed 30 days to pay such invoices. All contractors will be required to provide banking information at the time of contract execution in order to facilitate State electronic funds transfer payments.

RECIPROCAL PREFERENCE: The State of Montana applies a reciprocal preference against a vendor submitting a bid from a state or country that grants a residency preference to its resident businesses. A reciprocal preference is only applied to an invitation for bid for supplies or an invitation for bid for nonconstruction services for public works as defined in section 18-2-401(9), MCA, and then only if federal funds are not involved. For a list of states that grant resident preference, see <http://gdsd.mt.gov/ProcurementServices/preferences.mcp.x>.

REDUCTION OF FUNDING: The State must terminate this contract if funds are not appropriated or otherwise made available to support the State's continuation of performance in a subsequent fiscal period. (See section 18-4-313(4), MCA.)

REFERENCE TO CONTRACT: The contract or purchase order number MUST appear on all invoices, packing lists, packages, and correspondence pertaining to the contract.

country, but which are conducting activity in Montana, must determine whether they are transacting business in Montana in accordance with sections 35-1-1026 and 35-8-1001, MCA. Such businesses may want to obtain the guidance of their attorney or accountant to determine whether their activity is considered transacting business.

If businesses determine that they are transacting business in Montana, they must register with the Secretary of State and obtain a certificate of authority to demonstrate that they are in good standing in Montana. To obtain registration materials, call the Office of the Secretary of State at (406) 444-3665, or visit their website at <http://sos.mt.gov>.

SEPARABILITY CLAUSE: A declaration by any court, or any other binding legal source, that any provision of the contract is illegal and void shall not affect the legality and enforceability of any other provision of the contract, unless the provisions are mutually dependent.

SHIPPING: Supplies shall be shipped prepaid, F.O.B. Destination, unless the contract specifies otherwise.

SOLICITATION DOCUMENT EXAMINATION: Vendors shall promptly notify the State of any ambiguity, inconsistency, or error which they may discover upon examination of a solicitation document.

TAX EXEMPTION: The State of Montana is exempt from Federal Excise Taxes (#81-0302402).

TECHNOLOGY ACCESS FOR BLIND OR VISUALLY IMPAIRED: Contractor acknowledges that no state funds may be expended for the purchase of information technology equipment and software for use by employees, program participants, or members of the public unless it provides blind or visually impaired individuals with access, including interactive use of the equipment and services, that is equivalent to that provided to individuals who are not blind or visually impaired. (Section 18-5-603, MCA.) Contact the DNRC FSO Bureau at (406) 444-2575 for more information concerning nonvisual access standards.

SECTION 400

PURCHASING – GENERAL POLICIES

SOURCE: SBHE Section 803.1, Purchasing Procedures
NDSU President

1. Each institution shall develop and implement necessary and appropriate policies and procedures to ensure compliance with laws and State Board of Higher Education policies governing purchasing. Officers and employees involved in purchasing decisions shall comply with all applicable federal and state laws and regulations relating to conflict of interest and acceptance of gifts and gratuities. Institution purchasing policies and procedures shall incorporate (or refer to) SBHE Policy 611.4 relating to conflict of interest, and include procedures for disclosing a conflict of interest. Further, institution purchasing policies and procedures shall address whether vendors' offers of scholarships, endowments, and other premiums contained in bids or proposals will be considered and, if so, the criteria for evaluating such offers.

NDSU Guidelines

1.1 The Director of Purchasing is responsible for the preparation and enforcement of NDSU purchasing policies. The Director of Purchasing may delegate authority to an NDSU employee to purchase specific types and classes of goods and services with prior written authorization by the departmental supervisor. This authorization shall specify what may be purchased by the employee and the duration of the purchasing authorization.

1.2 Purchasing has the responsibility for obligating the University and for making the final determination of source of supply consistent with the required delivery schedule, ability to meet specifications and price negotiations, except where others are so authorized. These decisions will be made in conjunction with user departments as appropriate.

1.2.1 In the event there is an unauthorized purchase, Purchasing will arrange to meet with the individual(s) and the supplier to reduce the potential for future non-compliance. Any unauthorized purchase may result in holding the individual personally responsible.

1.3 The basic responsibilities of Purchasing and those of the using departments are as follows:

1.6 All employees involved in federal fund projects shall comply with the conflict of interest requirements that govern any federal grants or other sponsored agreements

1.7 Equipment and supplies purchased for use by a governmental agency are not subject to sales/use tax or federal excise tax except heating fuel, gasoline and property purchased by NDSU that is installed by an independent contractor. A letter is on file in the Purchasing Department which may be sent to vendors who need proof of our tax exemption.

1.8 In addition to this section, all other federal and state laws, rules and regulations relating to Purchasing must be followed.

2. NDUS institutions shall cooperate and make joint purchases with the Office of Management and Budget Purchasing Division when advantageous to do so as intended by North Dakota Century Code 54-44.4-02. Institutions may also purchase equipment or supplies through participation in joint purchasing alliances formed with other states or organizations, when it is advantageous to do so. Additional bids or proposals shall be solicited from other vendors when required by law or this policy.

NDSU Guidelines

2.1 All NDSU personnel will be required to purchase from prime vendor or other annual contracts or other such pricing agreements that are established.

3. Personal property, equipment or supplies estimated at less than \$10,000 may be purchased at the discretion of the institution. When feasible, informal quotes or proposals should be solicited from more than one vendor. Reasonable steps shall be taken to ensure that qualified North Dakota vendors have an opportunity to compete for the contract. Personal property, equipment or supplies estimated at \$10,000 or more must be purchased from formal bids. As many sources as possible, including qualified North Dakota vendors, should be solicited.

NDSU Guidelines

3.1 NDSU employees authorized by their respective department or unit can make a single non-repetitive purchase of a good or service in the amount of \$2,500.00 or less. Purchases of \$2,500.01 and above shall be processed through the NDSU Purchasing Department.

3.2 NDSU employees may make purchases from \$2,500.01 up to and including \$5,000.00 if they are delegated purchasing authority in writing by their respective departmental supervisor and by the Director of Purchasing after proper training has been completed. Requirements include obtaining three (3) informal quotes, awarding the order to the vendor offering the lowest and best bid, and ensuring that quotes are maintained on file and the item cannot be obtained on an existing term contract.

4. Consulting or other contract services and insurance estimated at less than \$100,000, shall be purchased by negotiation, telephone or informal written quote or proposal. When feasible more than one vendor should be requested to submit prices to ensure appropriate competition. Reasonable steps shall be taken to ensure that qualified North Dakota vendors have an opportunity to compete for the contract. Consulting or other contract services or insurance estimated at \$100,000 or more must be purchased through a formal request for proposal

process that includes procedures for identifying eligible vendors, developing a comprehensive requirements document, specifying unique needs, negotiating mutually acceptable contract terms, and listing minimum proposals requirements. Payments for services may be made only according to a written contract.

NDSU Guidelines

4.1 Consulting services and insurance greater than \$50,000 shall be coordinated through the Purchasing Department.

5. Personal property, equipment or supplies estimated at \$10,000 or more, must be purchased from formal bids. As many sources as possible, including qualified North Dakota vendors should be solicited. All service contracts for a term in excess of three years shall include a provision for review of contract performance at specified intervals, not less frequently than once every two years. Service contracts may not exceed a term of ten years.

NDSU Guidelines

5.1 Formal bids for goods and services shall be processed through the NDSU Purchasing Department.

6. Items which do NOT require competitive bidding are purchases made from discount contracts under a group alliance or consortium, other items possessing unique characteristics or properties which because of those peculiarities are essential to the conduct of particular research projects or instructional endeavors or sole source services. Purchases of an item or service under this exception is permitted only with the written approval of the purchasing officer or other official delegated that authority based upon documentation of:

- a) The unique characteristics of the products, and
- b) Specifically what task is to be performed requiring the unique characteristics of the product.

The purchasing office shall document in writing the process in all cases in which the lowest bid is not accepted. All required documentation shall be retained according to governing records retention policies.

NDSU Guidelines

6.1 A letter of justification on any sole source purchase not covered under a term contract, priced at \$2,500.00 and above shall be sent to the Director of Purchasing.

6.2 Items which do not require competitive bidding are:

- a) Utilities such as telephone, electric power, and natural gas services.*
- b) Public books and maps, periodicals and technical pamphlets.*
- c) Services for the maintenance or servicing of equipment by the manufacturer or authorized servicing agent of that equipment when the maintenance or servicing can best be performed by the manufacturer or authorized service agent, or when such a contract would otherwise be advantageous to the state.*
- d) Direct purchases from any NDSU campus auxiliary service or internal service fund operation(s).*
- e) Term contracts created by the NDSU/NDUS/State Purchasing Personnel.*
- f) Consulting Services up to \$50,000 (excluding architect/engineering services) if the Contracted Services Agreement form is used or an agreement is reviewed and approved by the University's General Counsel. The Purchasing Department will determine if competitive bids are required for services greater than \$50,000 but less than \$100,000.*

g) Construction/Remodeling Services up to \$10,000 total project cost, if the Contracted Services Agreement form is used and the specifications are in compliance with applicable building codes and policies and the NDUS/NDSU "Guidelines for Architects and Engineers" manual. A copy of the completed form should also be sent to the Facilities Management Director, Thorson Maintenance Center.

7. Preference shall be given to North Dakota bidders when required pursuant to N.D.C.C. Section 44-08-01. Accordingly, preference equal to the preference given or required in the state of a nonresident bidder shall be given in purchasing any goods, merchandize, supplies, or equipment. Also, when accepting bids for the provision of professional services, including research and consulting services, the contract shall be awarded to a resident North Dakota bidder if the bid of the resident North Dakota bidder is equal to or less than the low bid of a nonresident bidder and the resident North Dakota bidder has an acceptable performance history and meets the minimum requirements specified in the bid solicitation.

0 = Unsatisfactory 1 = Poor 2 = Fair 3 = Good 4 = Excellent 5 = Outstanding

| | |
|----------------|---|
| Unsatisfactory | Non-conformances are jeopardizing the achievement of contract requirements, despite use of Agency resources. Recovery is not likely. If performance cannot be substantially corrected, it constitutes a significant impediment in consideration for future awards containing similar requirements. |
| Poor | Overall compliance requires significant Agency resources to ensure achievement of contract requirements. |
| Fair | Overall compliance requires minor Agency resources to ensure achievement of contract requirements. |
| Good | There are no, or very minimal, quality problems, and the Contractor has met the contract requirements. |
